PRESS RELEASE

About the Conference

Moscow Institute of Physics and Technology (Russia), Tsinghua University (China) and PhysTech-Union (Russia) will hold the **XI international conference «Engineering and Telecommunication – En&T-2024»**.

En&T-2024 provides a platform for discussing innovative ideas in the field of telecommunications and information technologies, as well as their application in various industries and manufacturing. The Conference will include a plenary session with the invited speakers, thematic sessions with oral presentations, and round-table meeting.

Round-table theme: "Freedom of choice: open and proprietary processor command systems"

Working language: English, Russian

The Conference will be in the hybrid (part in-person, part virtual) format.

Conference Sections

Telecommunication technologies and networks	Radar and communication systems	Computer systems and intelligent data processing
<ul style="list-style-type: none">⊕ Wireless data transmission systems and networks⊕ Optical fiber networks and technologies⊕ Signals, images, video and audio processing⊕ Digital telecommunication and broadcasting system⊕ Multimedia and telecom services	<ul style="list-style-type: none">⊕ Advanced technologies in communications and radar⊕ Satellite communications and satellite IoT⊕ UHF devices and antennas⊕ Applied electrodynamics⊕ Future materials for electronics	<ul style="list-style-type: none">⊕ Architecture of computer systems⊕ Software, development tools and technologies⊕ Information security in data transmission networks⊕ Neural networks and neural computers⊕ Intelligent data analysis systems⊕ Applied systems with AI

Publication Information

Submission deadline: **November 04, 2024.**

⊕ **Conference report thesis**

Publication condition: matching the formatting requirements and positive review of the review committee.

⊕ **Participants can publish paper in journal “MIPT Proceedings” (RSCI)**

Publication condition: matching the journal requirements, positive review of the review committee, positive review of journal edition committee, presenting paper at the conference.

⊕ **Paper in IEEE Conference Proceedings**

Publication condition: matching the formatting requirements and thesis publication, positive review of the review committee, presenting paper at the conference.

Submission deadline for IEEE Conference Proceedings: October 01, 2024
